### Cool iPhone Aps Dads Love

6/8/09

The perfect gift for a practical guy -- cool tools for his phone! (Some of them are free!)

Oh no! You need a gift for Dad pronto! Click and get an instant application for his iPhone, the ideal gift for the kind of dude who likes practical gifts. Some of them are free! All apps are available through "Apple's App Store", which you open through iTunes. (Or click on the links below!) Another great idea: get him an iTunes gift card and suggest these awesome aps in a Father's Day card.
